

## **BOROUGH OF CONSHOHOCKEN**

### **CHEMICAL SPRAYING TREATMENT OF MOSQUITOES AT PARKS**

The following Conshohocken parks will be treated with chemicals to keep away mosquitoes on June 2<sup>nd</sup> and June 3<sup>rd</sup>, weather permitting:

- Haines Parks
- Aubrey Collins
- Sutcliffe Park

Please be advised that all treated areas should be avoided for two hours until thoroughly dry. The above parks are scheduled for treatment the first week of every month until September. All chemicals are county approved and EPA registered. All questions regarding chemicals or treatment schedule should be directed to the Chemical Exterminators at (610) 828-2059.
